## Lights, Camera, Action!

**It's time to create some RNDA SUPERSTARS!** Thank you for giving RNDA the opportunity to teach your child "The Art of Dance"! We look forward to seeing them grow, make new friends, gain more confidence and steal the show! Keep your cameras close, we are sure you don't want to miss all the ACTION!

## Stay Connected With RNDA

Please be sure to always read your **DANCE ZONE Newsletter** carefully and note your personal calendar accordingly! This method of communication will decrease the amount of emails and handouts you receive throughout the semester and provide you with ONE concise way to stay connected!

If you are a first-time parent, I encourage you to browse through our website: [www.rhythmnationdance.com](http://www.rhythmnationdance.com) to learn more about our company. We also have a **Parent Information Packet** that will provide you with important details regarding class dates & times, proper attire, tuition payments and guidelines. Please review this packet thoroughly as it will answer most, if not all of your questions.
